Brief Business Plan regarding Tourist Investments Aegina Island

besides appearances there is a very good opportunity for investment here in Greece - all we have to do is have a vision on the global market of the E U - and I am convinced that it will work - we have great plans for tourist investment in the Aegina Island - in the near by area of Athens - it is all on our site - looking forward Vicente architect at www.studiodue.org

estimated cost for existing situation - on the ground of the Aegina Island

- Ground plot estimated cost 30.000,00 euros
- Construction – 70 m2 x 1200 euros = 84.000,00 euros
- Representing housing unit detached independent

| | |
|-------------------|------------------|
| Total direct cost | 114,000.00 euros |
| Other collateral | 30.000,00 euros |
| Total investment | 144.000,00 euros |

Looking forward, Vichente Architect at www.studiodue.org Athens Greece
